

ABOUT THE COLLEGE

Sri Vidya College of Engineering and Technology, approved by AICTE and affiliated to Anna University, Chennai was established in the year 2008 for the upliftment of urban and rural youth by the philanthropic visionaries of Sri Vidya Education Trust. The college offers 6 UG programmes and 4 PG programmes including Master of Business / Administration.

ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering was established in the year of 2008 with a sanctioned intake of 60. The laboratories are equipped with modern technical software's which provide the students an industrial environment inside the laboratories. The department has rich experienced and dedicated staff with the back ground of both teaching and industrial experience. The students are motivated to do real time project works applicable for industries and society. The department organizes regular seminars and expert guest lectures from industry and institutions to mould the enthusiastic students into the excellent engineers, while the exposure to the latest technologies fosters the creativity and independent thinking of students.

LOCATION

SVCET is located in Virudhunagar district. It is nearer to many places namely Madurai, Aruppukottai, Sivakasi and Sattur. The college campus is at distance of 50 Kms from Madurai and 3 Kms from Virudhunagar.

ABOUT THE CONFERENCE

The mission of this conference is to benefit the students and working professionals to enrich their knowledge towards recent trends and developments in the field of Renewable Energy Systems. The conference will serve as a platform for the participants to diffuse and promote their ideas in the field of Renewable Energy.
