### ABOUT THE INSTITUTION

Sri Vidya College of Engineering & Technology was established in the year 2008 with the aim of taking higher education to the nearby villages in general and rural people in particular at all levels of economic platform. The college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai. With a multi-disciplinary approach, the college offers five UG programmes, three PG programmes in Engineering & Technology and one PG programme in management studies. The college offers ample facilities to enhance students' individual development, and to provide opportunities to hone their skills.

### ABOUT THE WORKSHOP

The Internet of Things (IoT) has evolved from the convergence of Wireless Technologies, Micro Electro Mechanical Systems (MEMS) and the Internet. By connecting 'things' in the real world such as cars, buildings and industrial equipment, IoT promises to revolutionize how we live and work. This program aims at providing an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving Data Analytics issues in IoT. This workshop serves as a platform for research scholars, faculty, engineers and students to interact on cutting edge technologies in IoT and Data Analytical Tools.
