

## ABOUT THE COLLEGE

Er. R. Thiruvengada Ramanuja Doss is the Founder and Chairman of Sri Vidya Educational Trust in Chennai, through which he has successfully started many excellent Educational Institutions, including Sri Vidya College of Education & Teacher Training Institute in the year 2007, Sri Vidya College of Engineering & Technology and Sri Vidya Matric Higher Secondary School started in the year 2008 and the later in the year 2010 in Virudhunagar. The Campus of the college is spread over 45 acres of land.

Sri Vidya College of Engineering & Technology was established in the year 2008 by Sri Vidya Charitable Trust in the Southern part of India. This Institution is approved by AICTE, New Delhi, and ISO9001:2008 certified and affiliated to Anna University Chennai. The institution offers B.E/ B.Tech (Civil, Mechanical, EEE, ECE, CSE) In addition, it offers M.E (Structural Engg, CSE and VLSI) and also MBA. The College is equipped with excellent infrastructure and dedicated team of faculty members.

In addition to regular curriculum and syllabi, value added courses are also offered in all the departments to meet the demand driven needs of various stakeholders. Students are motivated to participate in extracurricular and co-curricular activities in order to club activities in the campus.

## ABOUT THE DEPARTMENT

The Department of civil engineering was established in the year of 2009 and currently offers B.E Programme in Civil Engineering & M.E. Programme in Structural Engineering. The Department of Civil Engineering has highly qualified, committed and research oriented faculty members. The department has professionally equipped and spacious laboratories such as Survey lab, Strength of materials lab, Environmental engineering lab, Hydraulics engineering lab, Soil mechanics lab, Computer lab, Concrete and Highway engineering lab and Structural engineering lab.

The department conducts special guest lectures, workshop, Faculty development training programme and seminar in each semester on various topics beneficial to the faculties & the students to meet the growing global challenges of engineering industries.

## OBJECTIVES OF THE SEMINAR

- To discuss the construction challenges in hilly region.
- To impart knowledge on recent methodologies used in construction.
- To be acquainted with how to reduce the maintenance cost by using prefabricated structures.
- To discuss the challenges when concrete used in hilly region.

## RESOURCE PERSONS

**Dr.G.S.Thirugnanam,**

Prof & HoD/Civil Engineering,  
Institute of Road and Transport  
Technology,  
Erode.

**Dr.G.S.Rampradheep,**

Associate Professor /Civil Engineering,  
Kongu Engineering College,  
Erode.

## TARGET AUDIENCE

The Seminar is open for Researchers, faculty in Engineering Colleges, UG students and PG students.

## VENUE

CIVIL Seminar Hall,  
Sri Vidya College of Engg &  
Technology,  
Virudhunagar.

**ORGANIZING COMMITTEE****CHIEF PATRONS****Er. R.Thiruvengada Ramanuja Doss B.E.,**

Chairman, SVCET
